LOSE ONE—WIN ONE
Old Hickory Ball Team went to
Middleboro Saturday where they
lost the game by 13 to 14 in favor
of Middleboro, but took their re-
venge Sunday at the Fair Grounds
when they won nicely by a score of
5 to 3.

The Old Hickory boys are playing
good ball and as the season ad-
vances we expect them to become
top-notchers.
Saturday Old Hickory will play
Edgewood, from near Stoney Fork,
the game being called at 2:30 p. m.
on the B. B. I. diamond, admission
25c. Be there and see a good game.

BEREA COLLEGE
All former students of Berea who
desire to hear President Frost give
his farewell address and see him
for the last time as President of
Berea College, should plan to come
back at Commencement, June 9th,
1920. Also, the new president will
be inducted into the duties of his
office at that date. We will try to
furnish accommodations for all who
come, providing we have notice in
time from those desiring to be pre-
sent.
M. E. VAUGHN, Secretary.

**CONGRESSMAN J. M. ROBINSON
ON THE PEACE RESOLUTION**
In an impassioned speech on the
Peace Resolution as taken from the
Congressional Record, Congressman
J. M. Robinson strongly urged peace
but not at the expense of the U. S.
The following excerpt from his elo-
quent speech is well worth quoting:
"The President under these war
measures has as much or more power
than any King or Emperor of any
civilized country of the present age;
and I am in favor of this declaration
of peace, the repeal of these oppres-
sive war-time measures, and a res-
toration of our commercial relations
with the nations of the world."

LESS SUBSERVIENCY—PERHAPS
Senator Underwood, of Alabama,
has been elected Democratic leader
of the Senate, succeeding Mr. Hitch-
cock, of Nebraska. The growing re-
volt against Presidential domina-
tion of the party in the Senate has
long presaged the overthrow of Mr.
Hitchcock, the mouthpiece of Mr.
Wilson in the treaty fight. Mr. Un-
derwood is a man of independent
ideas, and has more than once evi-
denced a determination to vote for
the good of the country rather than
as the President dictated. His ac-
cession to power is in line with the
anti-Wilson sentiment that is find-
ing expression in the State prima-
ries throughout the country.

PROCLAMATION
The Governor of Kentucky has is-
sued the following Proclamation:
The week of May 17 to May 22
is hereby set apart as "American
Legion Week" in the Common-
wealth of Kentucky.
During this week it is the pur-
pose of the National and State Head-
quarters of the American Legion to
make an energetic attempt to reach
every soldier of the Great War for
the purpose of enlisting him as a
member of the American Legion.
I respectfully urge that every citi-
zen co-operate in this movement
give it publicity and that every sol-
dier entitled by his service and sacri-
fice to participation in this order
shall enroll himself as a member of
this great American Association.
Signed—EDWIN P. MORROW,
Governor of Kentucky.
May 11th., 1920.

TUESDAY CLUB
The Tuesday Club met May 11th
at the home of Mrs. James R. Tug-
gle on High Street with fifteen mem-
bers present. Response to roll call
was items concerning "Dress" the
topic of the day. After reports from
the Secretary and Treasurer there
was a business session. A course of
study for next year was discussed.
Definite plans will be made at the
next and last business meeting of
the year. The Club will take a
course in Citizenship and Parliamen-
tary Law during the summer which
will be open to the public, under the
efficient leadership of Mrs. Crom-
well, of Frankfort.

Mrs. W. S. Hudson, as leader for
the day, presented the following
program:—
"Inaugural Dresses of Wives of
Presidents," Mrs. John Hughes.
"Dress in Early History and the
Present Time," Mrs. W. S. Hudson.
Several members appeared in cos-
tume—Mrs. Guy Dickinson in dress
of 1880, carrying an immense hand-
painted red fan about forty years
old;—Mrs. G. M. Richards in an
1870 costume, wearing a very small
hat of that period;—Mrs. Fred Bur-
man, a 1906 coat;—Mrs. H. H.
Owens, a beautiful jet and net cape
fifty years old. Several gorgeous
frocks of ancient design and make
were on display. Each lady looked
very quaint and charming in her old
time costume and the fashion show
proved quite a success.
As this was the last literary pro-
gram of the season, a vote was taken
for the program from which each
member had received the most. The
"Salvation Army" received the great-
est number of votes, "Spiritualism"
coming second.

The Club gladly welcomed the re-
turn of one of its charter members,
Mrs. F. D. Sampson, who is again
at home in Barbourville.
The hostess, assisted by Mrs. F.
D. Sampson, served a delicious ice
and cake course.
The next meeting will be with
Mrs. Sawyer A. Smith, the Club's
president.

G. VIOT SAUNDERS
Opens Commencement Season
Those who failed to accept the in-
vitation to hear "The Fortune Hunter"
in which G. Viot Saunders was
presented, by Miss Bertha J. Haw-
kins Wednesday night, certainly
missed a treat. Mr. Saunders has
an excellent stage presence, perfect
apomb, splendid voice and enunc-
iation and must have a remarkable
memory as the lengthy but inter-
esting story flowed from his lips
without a pause or break.
As an interpreter of characters
he is good and his control over his
facial muscles can only have been
acquired before a looking glass.
He imitated a soda fountain syphon
and his various characters with an
equal facility.
The making of innocent mirth in
our somewhat drab world is a real
gift which should be utilized.

**HOORAY! THE RED WAGONS
ARE COMING!**

The town bill-boards and dead
walls are proclaiming with pictorial
eloquence that Saunders Greater
European Shows will visit Barbour-
ville Friday, May 21st. The an-
nouncement is hailed with delight
by the juvenile populace while some
of the "older boys" are looking for
their stray nephews and neices, say-
ing they will probably have to go
and carry the children to see the an-
imals. But down deep in their
hearts they know they would not
miss the big show if there were not
a small boy within a thousand miles
of Barbourville on show day.
The Great Sanger Show is visiting
this section of the State for the first
time, altho the big show is on its
28th season. The big tented attrac-
tion travels aboard its own special
train of railroad cars and will come
here from Jelico, Tenn. Many new
and novel features will be seen with
the show. Among them being the
Nelson family of acrobats; the Sie-
grist-Silbon troupe of Aerialists;
the Silverton trio of dancers on a
lofty double wire and the Wirth fam-
ily of equestrians. Saunders school
of educated Shetland ponies, mon-
keys and dogs will also be seen
along with a congress of twenty
clowns.

There will be two performances,
at 2 and 8 p. m., the doors opening
an hour earlier. A concert of popu-
lar and operatic music will be given
on the show grounds at 1 and 7 p.
m. The town and surrounding
country is heavily billed for the ap-
pearance of the big show and a re-
cord breaking crowd from the en-
tire County is anticipated.

HER GAIN IS OUR LOSS
We feel that Knox County lost
one of her most efficient workers
when Mrs. Dora Calliebs accepted
a position in the Northern part of
the State as Rural Supervisor and
Community Worker, with a salary
of \$1,500.00 per year and a three-
month's vacation.
But she will come back because,
Once a Mountaineer, always One!
However we wish her success. She
deserves it.

THERE'S A REASON
For the law that requires banks throughout the United
States to print at stated intervals a full and complete
and accurate statement of the Bank's resources and li-
abilities. The reason is not that the officials of the State
or the Nation shall be thus given an insight into the
financial conditions of the bank, for the Government Bank
Officials have made their investigations before the state-
ment was prepared. They have gone into the bank's
affairs with the most minute care, examined all of the
notes and securities due the bank and have carefully
scrutinized the bank's assets, and have been convinced
that the affairs of the bank are in first class condition,
else the statement would not be permitted to be prepared.

THE BANK'S STATEMENT
Is given to the public so that the public may see for itself
just the condition of the institution. The amount of de-
posits, the amount of money borrowed by the bank on
time loans, the amount deposited by savings depositors
all are shown. Also all the bank's resources are shown,
so that any man may read the statement and know just
the condition of the bank.
OUR STATEMENT APPEARS IN THIS ISSUE
Read it and then come in and let us talk investment
with you. We recommend U. S. Treasury Savings Cer-
tificates and Liberty Bonds. They are the safest invest-
ments we know of and pay fair interest.

**AMERICANISM WON IN
MASSACHUSETTS**
The result of the balloting in Mas-
sachusetts to elect delegates to the
national conventions is added proof
of the anti-league of nations senti-
ment that has swept the country.
The Republican delegates will be
headed by Senator Lodge, the lead-
er of the Senate reservationists, and
the Democrats have chosen the slate
of Senator Walsh who voted against
and vigorously attacked the Wilson-
ian league when the fight was on in
the Senate.

SCHOOL TEACHERS RECEPTION
Dr. W. C. Black delightfully en-
tertained the teachers of our schools
at the home of his parents, Mr. and
Mrs. John A. Black, on College St.,
last Saturday night.
Mrs. Black is a most gracious hos-
tess and the spacious rooms were
hospitably thrown open for music,
contests and conversation such as all
enjoy when a number of congenial
people are together.
Delicious ices, cakes and mints
were served in the dining room.
Mrs. H. H. Owens, Mrs. R. P.
Black and Miss Gertrude Black
most acceptably assisted the hostess
during the evening.

**THE MORNING CONCERT
AT UNION COLLEGE**
What has developed into a
most popular function of more re-
cent years in the large cities, is
what is called the "morning concert."
This is not held before noon, as one
might imagine, but anywhere be-
tween the hours of 2:30 and 5:00
p. m. The distinctive term "morning"
refers mostly to the style of
clothing worn by the artists who
are on the programme. The very
greatest musicians of the world ap-
pear on such programmes, and the
public have learned to appreciate
the "morning" idea, as is evidenced
by the crowds who attend such con-
certs in the cities.

At Union College this year, we
propose to try one such Concert, and
we hope that the public of this com-
munity will show a desire to patron-
ize this effort by being present on
Wednesday, May 19th, at 3:30 p. m.
in the College Auditorium, when an
attractive programme, lasting only
one hour, will be presented.

UNION COLLEGE SCORES
Union College scored heavily in
Declamatory Contest held at Rich-
mond last week, and also won nine
out of fourteen medals at the track
meet.

Everett Bailey won the Declama-
tory contest, Robert Blair won the
pole vault and high jump, Raymond
Overley the 100 and 220 yards dash,
Chesley Franklin the mile run, while
Blair, Barker, Chesley Franklin and
Dunbar landed the relay race.

Overley made the 220 yards in 26
seconds, Franklin won the mile race
by 100 yards and by his speed and
staying powers largely helped to
bring home the bacon in the relay
race.

ON TO CORBIN
Avalanche of Shriners to Hit There
on the 15th of May

Over 100 Candidates Assured
All the country round about Cor-
bin is wondering what is coming off
on the 15th and guesses have been
made all the way from a Carnival
to a Circus, but that goes to show
that the people in this neck of the
woods are sure that something ex-
traordinary is going to happen in
that place and they are truly cor-
rect about that. The only reason
they cannot locate the exact name
for it is because they never saw any-
thing like it before and it will be
some time before they fasten their
lights on anything similar to it
again. For, verily, the goose is cook-
ed and the cats are loose and pre-
parations have been made for a
Shrine feast such as local Shriners
never attended. On that day the
old will become young again and out
strip their grand children: the
young will in turn jazz themselves
dizzy and there will be one glorious
mixture of fools, fun and fezzes.
On all sides you will hear the tri-
umphant shout: "Oh! Desert, where
is thy dampness? Oh! Camel, where
is thy kick." From 6 a. m. Satur-
day morning, the hour of the arri-
val of the Louisville Special, until
2 a. m. Sunday morn, the hour of
its departure, every moment will be
full of real Shriners and real Shrine
stunts.

At 12:30 the parade starts. A
regular Shrine Parade with the Ko-
sair Band, their \$18,000 costumes
and these assisted by that line of
hungry, moon eyed novices. The
whole town will be in gala attire.
All business houses will wear elab-
orate dress in honor of the occasion,
while banners and flags will fill the
streets. Corbin aims to do her part
for the visiting nobles.

Then comes that ceremonial,
staged as only Kosair can stage
them. You nobles of Kosair know
what that means to those shivering
hosts of knowledge seekers that are
awaiting without a hold of that rope
Some have expressed their desire for
a good deal. They want their mon-
ey's worth. The nobles from each
town will please see to this for it
is the desire of the committee that
each man be satisfied when he leaves
the hall after the ceremonial. An
extra stage has been built out in the
auditorium of the Majestic theatre
and there is plenty of room. All
can fall and not be in each others
way while there will be ample room
for breezing about when the sands
get too warm.

Then have you heard about those
minstrels? Took Louisville by
storm. Ran three nights and two
afternoons and then did not take
care of the crowds. They are all
coming to Corbin and with the or-
iginal line. A tent has been secured
for the occasion, but its capacity is
limited. Two performances will be
given, in the afternoon and night,
but an early purchase of tickets is
suggested. Seats will not be reserv-
ed until the doors are opened, first
come, first served.

The mirth of the minstrel will be
carried on into the street in the
form of a jubilee. No favorites in
this fracas. No one is outside of
the money. If you have a stunt,
stage it. You will be given the op-
portunity. A band stand is now up
in front of Sutherland's Drug Store
and the streets will be cleaned. Ex-
tra lights will be provided and noth-
ing will mar the night's jollification.

Brother, that's a mouthful of stuff
but we mean to strut it. ~~It~~
noble from the sore footed, neck-
rungs, rib-jarred, leg-pulled, goat-
riding novice to the Most August
Potentate is going to say that it
has been a day for Eastern Ken-
tucky. You'll be talking about it
from the chimney corner fifty years
from now with your grand children
around you. It will be bodily im-
pressed on the "goats" and mental-
ly forced on the rest and when the
last wild Arab yell shall have died
away amidst its echoes against the
distant mountains and the last
weary sojourner shall have pillowed
his throbbing head against a friend-
ly pillow, then, and only then, will
the chipmunk come out again and
this section go back to its normal
course after a day of unprecedented
fun and fellowship.

All that come will be taken care
of. The hotels cannot hold the
crowds, but private homes will be
provided. No one will have to sleep

LADIES AID SOCIETY
The M. E. Ladies Aid Society held
its regular meeting Friday afternoon
May 7th, with sixteen members pre-
sent who answered roll call with
Bible verses about "Faith." The
hostess, Mrs. Robert Cornette, read
the Scripture lesson which was fol-
lowed by the Lord's Prayer. After
the Secretary's and Treasurer's re-
ports there was a short business ses-
sion. Volunteer offerings for for-
eign hospital use will be brought to
the next meeting, May 21st, at the
home of Mrs. James D. Black.

The following program was pre-
sented:—"The meaning of Faith
and the Different kinds," Mrs. J. S.
Miller. "Faith in Christ and the
Foundation of Religion," Mrs. Ed-
ward Faulkner.
There was a general discussion
by the members concerning "Faith,"
the Healer Hickson and a few of the
different kinds of religion. The in-
teresting program ended with sing-
ing the hymn, "My Faith Looks Up
To Thee."
Delicious iced refreshments and
cake were served.

DISAPPOINTED

The Corbin Times came out two
weeks ago and stated in so many
words: "Never again will we run
any rotten politics." We were de-
lighted, as the paper had changed
hands, and we thought it would stick to
the straight and narrow political
road. The last issue made a vile at-
tack on a prominent politician, and
to top it off promises more slander
in the next thirty days. It will not
pay, boys—the readers do not want
this political rot. We understand
that editor Browning is in Louisville
having an X-ray examination, and
we hope for his sake that it will re-
veal the "Political Slander Bump"
and that he will have it cut out at
once.—Commonwealth, Somerset.

JORDAN

The death of Mrs. Myrtle Willie
Jordan, wife of Will Jordan, occur-
ed May 9th, the funeral being held
Monday, May 10th. Deceased was
nineteen years of age and childbirth
was the cause of death.

CAIN

The death of Mrs. Sarah Cain,
wife of Homer Cain, took place at
the family home May 7th, the inter-
ment being in the Cain Cemetery,
May 8th. Deceased was forty years
of age and death resulted from can-
cer. Mrs. Cain has been an invalid
for years.

CIVIC LEAGUE MEETING

The Civic League met last Thurs-
day, May 6th, at the home of Mrs.
W. W. Tinsley, as the guests of Mrs.
Maude Marcum. As this was the
last meeting before Mrs. Marcum's
departure for Frankfort, it partook
of the nature of a farewell. She will
be greatly missed and all extended
best wishes for success in her new
work and we know she will always
have the interests of her home or-
ganization at heart.

Twenty-two members were pre-
sent and a "symposium" of conven-
tion events was held. This conven-
tion proved so much of an inspira-
tion that the members were quite
surprised upon learning the little ex-
pense the clubs were under.

A matter that faces the women of
the country, whether they want it
or not, is the fact that they are now
voters. In order that they may have
some idea of the duties and privi-
leges now theirs, the Civic League
will undertake to inform themselves
and distribute posters with dates
etc., of whatever the women are to
participate in.

After the business session deli-
cious punch, sandwiches and cakes
were served.

The next meeting will be May 20
at the home of Mrs. H. H. Owens
on High Street.

FAMILY ALL WELL?

When Your Friends Ask That, Can
You Always Say "Yes?"

**PEPTO-MANGAN BUILDS RED
BLOOD**
The Happy Family Is the One Where
Everybody Has Red-Blooded
Health

Children should not be pale and
wan. Women should not be tired,
weak and blue. Young girls should
not be sallow, listless and anemic.
Men should not feel run-down and
poorly.

Poor health and lack of vitality
are often merely the result of im-
poverished blood.

Gude's Pepto-Mangan is for peo-
ple whose bodies suffer from lack of
proper blood nourishment. Pepto-
Mangan enriches the blood and in-
creases the number of healthy red
blood cells, which are so necessary
to carry the proper nourishment, vig-
orousness, and strength to every
part of the body.

It contains the very properties
that are so sorely needed to build up
thin, watery blood. Physicians call
it the Red Blood Builder.

For your convenience Pepto-Man-
gan is prepared in two forms, liquid
and tablets. Both contain exactly
the same medicinal value.

Insist on the genuine Pepto-Man-
gan. To be sure you are buying the
genuine Pepto-Mangan, ask your
druggist for "Gude's." And be sure
the name "Gude's" is on the pack-
age. (Adv't)

ROAD FORK NEWS

Owing to the cold wet weather
people are all behind with their corn
planting.

James Townsley celebrated his
eighty-first birthday on April 26. He
can play the fiddle just like he did
when he was twenty.

James Garland says he is prepar-
ing to launch a grand attack on the
meddlesome ground squirrels right
away.

We are very sad to announce the
death of Rev. Woodson Jordan. He
was in his seventy-ninth year when
on May 2nd he passed into eternal
rest. He was probably the oldest
minister in Knox County and his
life was filled with usefulness and
worthy deeds. He was widely known
and dearly loved by all. The funeral
took place May 3rd, conducted by
Rev. Thomas Gray.

LOST MULE

G. W. Smith, of Wallend, father
of Sawyer Smith, was here Tuesday
trying to trace a mule of his which
has been stolen. Description:—
Bright sorrel mule with mane, be-
tween 900 and 1000 pounds weight,
15 hands high, 7 years old, in good
condition, a white spot about the
size of a dollar under saddle. \$10
reward for recovery of mule and, if
stolen, \$50 for the man who took it
away. Advise either G. W. Smith,

HOW TO BECOME A NURSE

Any woman with intelligence and
"motherly" instinct can learn to be a
practical nurse and earn from fifteen
to twenty-five dollars per week. If
you cannot spend three years in a
hospital or are past hospital age,
study a common-sense book, called
"Nursing in the Home," by Lee H.
Smith, M. D. This book is written
in a way that is easy to comprehend.
It will teach you how to recognize
different diseases; how to take tem-
perature; how to take care of fever
patients; how to give baths; all
about the sick-room. It treats of
burns and scalds, broken limbs,
bleeding from wounds, (bandaging),
drowning, fainting—almost every
contingency is covered.

Many pages are devoted to Hygi-
ene, Anatomy, Physiology and Medi-
cine.

It contains advice for mothers
and tells how to care for infants.

This 500-page book, bound in
handsome red cloth, is worth \$2.00,
but for a limited time can be had
by sending fifty cents to the publish-
ers, World's Medical Press, 652
Washington Street, Buffalo, N. Y.

SWINEBROAD

Reports a Splendid Sale in
Madison County

On May 4th, he sold for M. A. Gil-
line 94.77 acres of unimproved land
about a mile from Richmond at an
average price of \$366.33 per acre.
The farm was subdivided and sold
in separate tracts and some of the
land sold for \$650 per acre.

S. G. Hiale purchased 7 tracts at
an average of \$480.00 per acre.

B. Current bought 7 tracts at an
average of \$458.00 per acre and Mr.
Shearer 2 tracts at \$185.00 per acre.

Mr. Collins was well pleased with
the price and the way the sale was
conducted. Swinebroad never has
any by-bids at his sales and always
advertises that way and the land
buyers attend his sales knowing
they will get a square deal and no
"fake" sales will be reported.

Swinebroad tells us he has several
more sales booked. Watch for
his advertisements.—Central Record

Another Royal Suggestion GRIDDLE CAKES and WAFFLES From the NEW ROYAL COOK BOOK

THERE is an art in
making flapjack pan-
cakes, griddle cakes or
waffles, call them what
you will. But it is an art
very easily and quickly
acquired if you follow the
right recipes.

Here are some recipes
for a variety of breakfast
cakes that will make
grandmother envious. The
secret, of course, is Royal
Baking Powder.

Royal Hot Griddle Cakes

2 cups flour
1/2 teaspoon salt
4 teaspoons Royal Baking
Powder
1 1/2 cups milk
2 tablespoons shortening
Mix and sift dry ingredi-
ents; add milk and melted
shortening; beat well. Bake
on slightly greased hot grid-
dle.

Griddle Cakes with Eggs

1 1/2 cups flour
1/2 teaspoon salt
4 teaspoons Royal Baking
Powder
2 eggs
1 1/2 cups milk
1 tablespoon shortening
Mix and sift dry ingredi-
ents; add beaten eggs, milk
and melted shortening; mix
well. Bake immediately on
hot griddle.

**ROYAL
BAKING
POWDER**
Absolutely Pure

Buckwheat Cakes

2 cups buckwheat flour
1 cup flour
4 teaspoons Royal Baking
Powder
1 1/2 teaspoon salt
2 1/2 cups milk or milk and water
1 tablespoon molasses
1 tablespoon shortening
Sift together flours, baking
powder and salt; add liquid,
molasses and melted short-
ening; beat three minutes.
Bake on hot greased griddle.

Waffles

2 cups flour
4 teaspoons Royal Baking
Powder
1/2 teaspoon salt
1 1/2 cups milk
2 eggs
1 tablespoon melted short-
ening
Sift flour, baking powder
and salt together; add milk
to yolks of eggs; mix thor-
oughly and add to dry in-
gredients; add melted short-
ening and mix in beaten
whites of eggs. Bake in well
greased hot waffle iron un-
til brown. Serve hot with
maple syrup. It should take
about 1 1/2 minutes to bake
each waffle.

HON. RICHARD P. ERNST.

ERNST ENTERS SENATE RACE

CANDIDATE NOTED FOR
EXTENSIVE CHARITY WORK

EDUCATOR AND "Y" LEADER

Ardent Supporter of Movement
To Wipe Out Illiteracy

It is hardly necessary to introduce Richard P. Ernst, whose candidacy for the United States Senate has just been announced, to the average Kentuckian.

His name has appeared throughout the state in connection with charitable movements, war campaigns, church and missionary work and drives to aid the schools and school teachers, especially in the mountain districts.

His charitable work, aggressiveness and progressiveness in civic movements and personal popularity have made him one of the most generally admired men in Northern Kentucky.

His extensive work in the interests of his state and its people began immediately upon Mr. Ernst's graduation from the famous Old Centre College, Danville, where he was valedictorian of his class.

Admitted to Bar.

He was admitted to the bar in Kenton county after examination by Senator John W. Stevenson and Judge William R. Arthur and since has practiced law in Covington and Cincinnati with the same aggressiveness and success that have featured every movement worth while into which he has directed his efforts.

Glancing over the long list of his activities one can see that he continually has enlisted himself in movements in which he could accomplish best results for the people.

As trustee and a member of the Executive Committee of Old Centre College, Kentucky State University at Lexington, and of Pikeville College, his excellent advice and assistance in matters of importance have been extremely beneficial to the students.

Wars On Illiteracy.

Recently he has taken a deep interest in the campaign teachers are waging for increased salaries and has been taking active steps to secure better pay both for the teachers of the state and for the professors in our colleges and universities. The mountain schools especially appeal to him and he has been an ardent supporter of the movement to wipe out illiteracy and to offer residents of the mountain

districts better facilities for education. Mr. Ernst's continuous help has been received by the churches of the state, regardless of denomination. He is an elder and succeeded his father as superintendent of the Sunday-school, their terms of service covering a period of nearly 80 years. He has been looking after educational and missionary work in the mountains, as chairman of the State Committee of his church, and has succeeded in more than doubling the amount heretofore given for this purpose.

And his work does not end there. He is president of the Covington Y. M. C. A. and a member of the National War Council. As head of the Y. M. C. A. he has been mainly instrumental in erecting one of the most complete and modern buildings to be found.

Son in Active Service.

He was active in every form of war work and gave continuously of his time, labor and money, whenever called upon. His only son was serving at the front in France, as a captain in the regular army, when the armistice was signed. He had entered the army as a private during the Mexican trouble and later passed his examinations at Washington, winning a second lieutenantcy. Mr. Ernst's son-in-law, John P. Darnall, of Flemingsburg, volunteered as a private and also was in active service at the front.

His wide and extensive business and professional experiences, as counselor and advisor to many large financial and manufacturing concerns, has been of unlimited value to his state and community, as he has been called upon many times to give advice when matters of big moment were being considered.

Mr. Ernst's record of service in the Republican party is a long one.

Good Republican Record.

Beginning as Councilman in Covington, he was kept in office by members of both parties until he insisted on retiring. For many years he was on the State-Central Committee and for four years served as its chairman. He has represented his district a number of times at National Conventions and also has been one of the "Big Four" from his state. It was he, who, while state chairman, established state headquarters at Louisville, since continuously maintained by the party. He also has been a liberal financial supporter of the party during all three years and one of its wise counselors.

Mr. Ernst's father was William Ernst, a banker at Lexington, subsequently Covington. His mother was Sarah A. Butler, a Jessamine county girl.

It was through Mr. Ernst's instrumentality that the Covington Industrial Club was developed and through his efforts that the campaign to erect a magnificent headquarters for this remarkable civic organization was successful.

HAINS FEELS 20 YEARS YOUNGER

Says Nothing in the World Could Buy the Good Tanlac Did Him

"Nothing in the world could buy the good that Tanlac has done for me, for I honestly believe it has added ten years to my life," was the remarkable statement made recently by John Hains, of 2209 Duncan St., Louisville, Ky. Mr. Hains has made Louisville his home for forty years and for the past two years has been employed as day watchman by the American Tobacco Co. at their 18th and Main Street plant.

"I suffered for nearly two years, and as everything I tried has failed to help me I was beginning to think that I would have to bear my troubles the rest of my days," continued Mr. Hains. "I was so nervous that a sudden noise like a door slamming would nearly make me jump out of my chair, and for over six months I could not sleep in any position except flat on my back. I was badly constipated and would get so dizzy at times I would nearly fall over. I was bothered with catarrh, which made me feel stifled and miserable all day and I lost my appetite and didn't know what it was to enjoy a good meal. Nearly everything I ate disagreed with me and my stomach hurt so bad I could hardly stand for my clothes to touch me."

"After taking four bottles all my troubles have left me and I feel twenty years younger. I can eat anything I please and digest it with out the least trouble. My nerves are as steady as any other man's. I am no longer constipated and am no longer troubled with dizzy spells. The catarrh has all disappeared and I sleep like a log every night and feel hale and hearty as I ever did in my life and I have so much more strength and energy that I am full of life all the time."

Tanlac is sold in Barbourville at the Cut Rate Drug Store. —Adv't.

GOVERNMENT LITERATURE

Most newspapers receive quite an amount of government publications which are presumably issued to instruct the public along certain lines of governmental endeavor. Most of them go into the wastepaper basket since the cost of news print is so high that newspapers cannot afford to carry unpaid matter. Local news and advertising make up the business of a local newspaper, combined with such other items of interest as the editor may care to print. Generally speaking these do not consist of government publications which should be paid for, just as motor cars, Tnt, ships and the service of clerks are paid for. If the press is a valuable medium, it should be paid for its space. Fortunately newspapermen are waking up to the fact that unpaid space killing is bad business.

Argentina is not all grassy pampas with gaily bedecked, gaudily bedecked gauches matching the speed of the fleet mounts, as one would naturally believe from the moving pictures depicting South American life, altho built at Fort Lee, New Mexico, or Culver City, Calif.

Automobile racing has a strong hold on the sport-loving Argentinians as was evidenced by the recent 218 mile race from Rosario to Santa Fe and return under the auspices of the Gymnasium and Fencing Club of the first named city.

J. Mansoero, driving a Goodyear equipped Dodge, led a large field from start to finish, making the distance over rough roads in five hours six minutes and twenty-five seconds.

Several thousand noisy fans witnessed the race and wildly cheered the winning driver.

Why Brunswick Tires Win Preference

There are two main reasons—one, the name itself, which certifies superfine value—the other, that time tells the same story.

Thus reputation and performance unite in giving you all you expect—and more.

Yet Brunswicks cost no more than like-type tires. Many motorists would pay more readily, but the Brunswick idea is to GIVE the utmost, rather than to GET the utmost. And this has been true since 1845. You can appreciate what Brunswick Standards mean by trying ONE Brunswick Tire. It will be a revelation. You'll agree that you could not buy a better, regardless of price.

And, like other motorists, you'll decide to have ALL Brunswicks. Then you'll know supreme satisfaction from your tires—longer life, minimum trouble, lower cost.

What a Heap of Happiness It Would Bring to Barbourville Homes.

Hard to do housework with an aching back.

Brings you hours of misery at leisure or at work.

If women only knew the cause—that

Backache pains often come from weak kidneys.

"Would save much needless woe. Doan's Kidney Pills are for weak kidneys."

Read what a Barbourville citizen says:

Mrs. Chas. Wilson, says: "My health was run down and I felt dull and languid and tired easily. I didn't care to do my housework and suffered with severe headaches. My back was sore and lame and I had dizzy headaches and dark spots floated before my eyes. My kidneys didn't act right and my limbs ached and pained. When I read of Doan's Kidney Pills, I got some from the Costello Drug Co. They soon rid me of the backaches and regulated my kidneys."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Wilson had. Foster Millburn Co., Mfrs., Buffalo, N. Y. Adv.

"ALWAYS SELLS"

The sale of the property of Mr. Joshua B. Adams' property which lies practically, tho not quite in the city limits of Danville, was conducted Saturday afternoon by Swinebroad, who "always sells" and the sale, as is his usual custom, was a great big success. Messrs Dever and Moss, the local representatives, did a big part in making the sale the success that it proved to be. Boliver Bond, auctioneer supreme, was at his best on the block Saturday. The total sale amounted to \$62,046.70 and the average per acre for the 141 acres was \$439.88. The land was purchased by the following:—

83.34 acres to George White of Versailles, for \$16,000.00.
16.44 acres at \$407.50; 20.51 acres at \$400; 35.53 acres at \$350 went to Mr. G. A. McRoberts. This adjoins Mr. McRoberts present farm and will give him an outlet to the Lancaster Pike, making two outlets the East Main St. one and the above.
7.80 acres at \$470; 8.40 acres at \$590 went to J. D. Whitehouse.
19.03 acres at \$538 went to Telford Alexander.—Danville Advocate.

KENTUCKY WEATHER

This winter has been remarkably severe and long, in the North, yet it is not unprecedented for cold weather to come late in April or even May. The Rambler is not as old as some folks in St. Petersburg yet he can remember when there was four inches of snow on the ground, in Kentucky, May 20. Kentucky is supposed to be a southern state, yet the snow that fell that May 20th stayed on the ground for half a day and ripe strawberries could be picked when the snow was brushed off the top of a bed of the plants. And geraniums were in full bloom with the red blossoms sticking up thru the snow. Kentucky has a punk climate anyhow. The Rambler has seen a variation of 60 degrees in a day. That is, it was 60 above zero at noon and zero at night. No human can stand changes like that. Drops of thirty degrees in a few hours are by no means uncommon. During the winter and in the morning Palm Beach clothes may seem in order while in the evening furs and a heavy overcoat are comfortable. Kentucky is a fine place in June and October but during the rest of the year it is any thing else but pleasant, except on odd days. —St. Petersburg Exchange.

POULTRY PROFITS DEPEND ON HEALTHY CHICKS

Mr. Williams, a very successful Oklahoma Poultry Raiser, recently said to Dr. LeGear: "Since I have been using Poultry Prescription, not only have I cut down Chick loss, but I find that my pullets lay a month or two earlier." A few pennies wisely spent in feeding Dr. LeGear's Poultry Prescription to Baby Chicks insure rapid development and early fall and winter laying. Get a package from your dealer. Satisfaction or money back. —Dr. L. D. LeGear Med. Co., St. Louis, Mo. (Advt.)

Sketch from actual photograph showing the distinguished psychologists trying the Realism Test in the Edison Shop, New York.

You too can try this fascinating REALISM TEST

We give it in our store. You can hear it exactly as did the noted psychologists who visited the Edison Shop on Fifth Avenue, New York.

You've been hearing about the astonishing realism of the New Edison.

Now you ask: "Is this realism so true that I feel the same emotions in listening to the New Edison as I feel in listening to the living singer?"

Our answer is—put the New Edison to the test!

Mr. Edison devised his unique Realism Test for this very purpose. Then he invited distinguished psychologists to try it out.

Each of the three men got sensations that were startlingly vivid.

"I could have sworn there was a living singer standing behind me," said Dr. W.

V. Bingham, Director of the Department of Applied Psychology, Carnegie Institute of Technology.

"I felt the presence of a living singer. The accompaniment seemed by a separate instrument," reported Prof. C. H. Farnsworth, Director of the Department of Music, Teachers' College, Columbia University.

"The music filled my mind with thoughts of peace and beauty," said Wilson Follett, Esq., noted music critic.

We'd like to have you come into our store and try this same test. See what sensations you get. The Realism Test is the conclusive way for judging the realism of the New Edison.

Ask about our Budget Plan. It shows you how to buy your New Edison through Thrift.

Terrible Tortures From Itching Skin Diseases

No Sure Relief Until the Cause Is Removed.

When the blood becomes infected with millions of tiny disease germs that attack the skin, then the fiery irritation and intense itching remain with you until these germs are removed from the blood.

Genuine relief, therefore, can only be expected from a treatment that goes right to the seat of the

trouble, and strikes at its cause. Such a remedy is S. S. S., the reliable old blood purifier that kills the germs of disease, and sends a new supply of rich red blood coursing through the veins. S. S. S. has been used successfully in some of the worst cases of eczema and other skin disorders.

COLLEGE NOTES

The Boys' Conference met Friday evening for their closing meeting of the year. This has been such an enthusiastic organization that we all hope it will start up next year.

We were honored by having Ex-Governor speak to us Saturday morning.

Several of the teachers spent a delightful day at Cumberland Gap Monday.

Alumni plans are working out nicely. All members will be sure to reserve Monday afternoon and evening, May 24th, for business meeting banquet and program.

Last Tuesday morning our baseball boys went to Richmond, Ky., to play E. K. S. N. S. two games. The first game was Tuesday afternoon was won by Eastern for Union had underestimated Eastern's strength. The score was 3 to 1. Losing this game put our boys on their metal and the next day they returned the compliment with compound interest. The score was 12 to 3. The last game was the better of the two for Union had her regular lineup and played some real ball. Our boys remained over to the Track meet at 2:30 P. M. Friday, which was held in spite of the rain. Every man seemed to show his kinship with the ducks for there was mud and water everywhere. Union had six men on the field while Eastern had fourteen, putting our boys at a disadvantage, but they never-the-less won the meet by 5 points. Out of the fourteen medals offered Union took nine. Everett Bailey won the Oratorical Contest and another medal. The awards were as follows: Bluff 3; Overly, 2; Ches Franklin, 2; Barker, 1; Dunbar, 1; Bailey, 1.

Be sure to watch for the ads of our base ball games. There're comin' See the Commencement Program elsewhere in this issue. There will never be another like it for some of us.

THEY DODGED BULLETS

Cecil Maxey and H. C. Bradshaw were at Wallens Creek the other day and while quietly seated on a rock, a la lizzard, enjoying the balm that lies in the ray of old Sol, there came a sudden staccato bang behind them, accompanied by the whine of shot as it pierced the circumambient ether which surrounded them. They looked behind them and there stood a lady in the doorway of home sweet home, pot shooting at her fleeing spouse, whom they state was leaving with the family shekels of silver and the good wife was attempting to induce him to return and share the family fortune with her. Maxey did a half mile in 26 seconds, beating the bullets easily and Bradshaw went into seclusion behind the rock until the dove of peace had perched on his carefully combed head and whispered that all was well.

SEILAZ-McCARTY

Dr. L. J. McCarty and Miss Mae Seilaz surprised their friends by being quietly married in Louisville on Saturday, April 17th. Dr. McCarty left Pineville, ostensibly on a business trip. There he was met by Miss Seilaz, who had come from California to meet him. Dr. Welsh, of the Second Presbyterian church of Louisville, officiated. After a week spent at the Seelbach Hotel, they came to Barbourville for a few days with Mrs. McCarty's sister, Mrs. T. J. Belcher. Mr. Belcher is pastor of the Christian church and principal of the Barbourville City Schools.

Dr. McCarty is one of our most popular dentists. He is a brother-in-law of Judge W. T. Davis, and has made his home here since resigning from the Navy several years ago, and his polite, courteous and kindly manner, has won him a host of friends who wish him all the happiness imaginable for all future time.

Miss Seilaz was reared in Knoxville, Tenn., graduated from Nashville, and is a nurse of much ability. She has nursed here at intervals for several years, and is highly respected and loved by those who know her.

May all good blessings come to them is the wish of their many friends.—Pineville Sun.

COMMENCEMENT

Barbourville High School

The Commencement Exercises of the Barbourville High School will be held in the Chapel of the High School Building Friday evening, May 21st, at 8 o'clock. Prof. E. E. Wood, of Cumberland College, will deliver the Annual Address to the Graduates of the High School. Prof. Wood is well known to the citizens of Barbourville, many of whom will again avail themselves of the opportunity to hear him in one of his splendid addresses. A rare treat is in store for all who hear him. The public generally is cordially invited to attend the exercises on this occasion.

Guy L. Dickinson, Zack Ralston, John Ruggles and A. M. Blue went fishing Saturday. Guy was sleeping the sleep of the just at 3.30 a. m. when he was roused by a thundering on the door of his domicile. He thought hard as to who might be anxious to ambush him, but finally got up and it was Blue, babbling of babbling water and fish. He got Guy up then repeated the cruelty on Ruggles, who thinks bed was meant to stay in as long as possible. Ralston was already a victim and away they went to fish. Blue got one large bass, said to exceed the weight limit of three pounds, weighed on its own scales to be sure. His friends are talking about a gold ring he found in the stomach, but it may be a fish story. We know fishermen. Blue says we should not listen to a bunch of alligators and he comes of good Methodist stock. He insists it is a gold brick and not a gold ring, yarn and there you are.

In the Winter-Time

Any fool knows enough to carry an umbrella when it rains, but a wise man is one who carries one when it is only cloudy. Any man will send for a doctor when he gets bedfast, but the wiser one is he who adopts proper measures before his illness becomes serious. During a hard winter or the following spring one feels run-down, tired out, weak and nervous. Probably you have suffered from colds or influenza which has left you thin, weak and pale. This is the time to put your system in order.

A good, old-fashioned alternative and temperance tonic is one made of wild roots and herbs without the use of alcohol, and called Dr. Pierce's Golden Medical Discovery, in tablet or liquid form.

Covington, Ky.:—"I have taken Dr. Pierce's Golden Medical Discovery and consider it one of the best medicines I have ever taken for the blood and as a tonic to build one up when run-down or for liver troubles of any sort. It is also good to take as a spring medicine. Dr. Pierce's Pleasant Pellets, too, are a fine purgative medicine; they cleanse and purify the system in a very mild way. I can highly recommend these medicines of Dr. Pierce's."—JOHN R. LOUGHERY, 603 E. 16th St.

Louisville, Ky.:—"For years I have had disordered blood, which has caused me to break out in sores on my face and limbs. I have used many medicines recommended to purify the blood but none gave me the prompt results that I have obtained while taking Dr. Pierce's Golden Medical Discovery, and I take the greatest of pleasure in recommending this splendid blood purifier to all persons afflicted as I have been all my life. This 'Discovery' is not only cleansing to the blood but it tones up the whole system, too."—MRS. MAGGIE DUPIN, 323 N. Campbell St.

Announces For U. S. Senator

Covington, Kentucky.
May 10th, 1920

For some time past it has been known to many of my Republican friends throughout the State that I would be a candidate for Republican nomination for United States Senator.

I now desire to make public announcement of that fact.

I keenly appreciate the responsibility and importance of this high position, and, in the event of my election, I will give to the duties of this office the best there is in me and will represent the people of Kentucky and of the United States to the best of my ability.

I desire, also, to take advantage of this opportunity to express my sincere thanks to the many Republicans throughout the State who have, without solicitation on my part, so kindly and generously offered me their support.

RICHARD P. ERNST.

Keep Well

Do not allow the poisons of undigested food to accumulate in your bowels, where they are absorbed into your system. Indigestion, constipation, headache, bad blood, and numerous other troubles are bound to follow. Keep your system clean, as thousands of others do, by taking an occasional dose of the old, reliable, vegetable, family liver medicine.

Thedford's

Black-Draught

Mrs. W. F. Pickle, of Rising Fawn, Ga., writes: "We have used Thedford's Black-Draught as a family medicine. My mother-in-law could not take calomel as it seemed too strong for her, so she used Black-Draught as a mild laxative and liver regulator. We use it in the family and believe it is the best medicine for the liver made." Try it. Insist on the genuine—Thedford's. 25c a package. E-75

Dr. Thacher's Liver and Blood Syrup

is a Liver Regulator, a Blood Purifier, a Laxative and a Tonic of 67 years standing; the prescription of an old family doctor of large practice; a standard remedy for the whole family from the children to the grand parents.

"About three years ago, I was all run down in health, weighed only 104 lbs., and getting worse every day. I began the use of DR. THACHER'S LIVER AND BLOOD SYRUP, and today I am thankful to say that I'm in perfect health, and weigh 133 lbs., and attribute my good health to the use of that most wonderful medicine—DR. THACHER'S LIVER AND BLOOD SYRUP. My husband joins me in recommending this great tonic.—Mrs. C. E. Chadwick, Ala.

Big Value in Tires for The Smaller Cars

Back of the manufacture of Goodyear Tires for the smaller cars is the same purpose to supply high value in the product that is behind the manufacture of the Goodyear Tires that equip the most expensive automobiles built.

This purpose is expressed by the enormous resources, extraordinary skill and scrupulous care applied to the manufacture of Goodyear Tires in the largest tire factory in the world devoted solely to the 30x3-, 30x3 1/2-, and 31x4-inch sizes.

The effect of this endeavor is noted in the fact that last year more cars using these sizes were factory-equipped with Goodyear Tires than with any other kind.

It is also noted in the fact that if you own a Ford, Chevrolet, Dort, Maxwell, or other car requiring one of the sizes mentioned, you can secure Goodyear Tires and Goodyear Heavy Tourist Tubes at the nearest Goodyear Service Station.

30x3 1/2 Goodyear Double-Cure Fabric, All-Weather Tread..... \$23.50

30x3 1/2 Goodyear Single-Cure Fabric, Anti-Skid Tread..... \$21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3 1/2 size in water-proof bag..... \$4.50
